

WALT: recall our news 19th January

My news

On Friday night I was so so excited because my best best Best friend Charlotte was coming to play!!!
First me and Charlotte ran upstairs also lady carried the coffee table upstairs. (That night we had lots of chocolate.) Also Darcie's friend Mia came Charlotte's sister. We had lots and extremely lots of fun. (Just so you know its Charlotte Rhodes.)

Now its time for Saturday's news. Well, On Saturday we went to nanny Barb's while Mommy sorted out the wages me and Darcie watched Football and played with Uncle Rob. I LOVE FOOT ball!!! I LOVE Mach-a-tacks!!!
"Yeeeee" I know lots of players!

Sunday again we went to nanny Barb's but this time HE did something different. This time me, Mommy, Nanny, all sorted nanny's carers days and times. While we did that we also kept Darcie quiet by, telling her to go to sleep, telling her to play with her dolls and to play with Uncle Rob. Then suddenly Mommy said "lily you know vertical addition?"
"Yes." I replied so I did some vertical addition.

use more adjectives.
