Gosport Bake Off!

Good After-noon every one this is I tv report about Gosports bake off. Firstly we All brought our Money to buy the extremely delicious cakes but that was the end of that the day which WAS not expected. Secondly we went into T.C.T and then Mrs Breaton Ball took us in to see the cakes. mmm... THEY looked verry Yummy and Fresh!!!

Then we searched on Internet for why we have the British Bake off. Do you know why? I do. Then in the after noon with Mrs Breaton we desighned a cake in our sketch books and on paper for comic relief! Finally after brake we went in the hall and cheered on who we wanted to win.

At the end of the day the big hall was cramed with pepol buying cakes. P.S I guess you want to know who was in the competition for backing well it was, Mrs Making, Mr Bennet, Mrs Duckworth and miss smith.
