Dear diary,
What a day! How ^{scary} ~~panicked~~ ^{panicked} I was! My clothes are covered in soot as black as a cat... As I began to wake up, I could smell smoke. I sprinted down the stairs but the fire was coming so I ran up the stairs and I opened the door. My hair got up and we had to get water but we couldn't reach the fire! ~~the fire was~~. And the fire had gone all

over London and every ~~one~~ park. So early we can see it and we had to leave our house and add now we had to sleep ^{outside} ~~in~~ ^{at} school.

Wow Eva - this is your best piece of writing so far in Year 2.
