Interim teacher assessment framework at the end of key stage 2 - reading

Key principles

- This statutory interim framework is to be used only to make a teacher assessment judgement at the end of the key stage following the completion of the key stage 2 curriculum. It is not intended to be used to track progress throughout the key stage.
- The interim framework does not include full coverage of the content of the national curriculum and focuses on key aspects for assessment. Pupils achieving the standard within this interim framework will be able to demonstrate a broader range of skills than those being assessed.
- This interim framework is not intended to guide individual programmes of study, classroom practice or methodology.
- Teachers must base their teacher assessment judgement on a broad range of evidence from across the curriculum for each pupil.
- Individual pieces of work should be assessed according to a school's assessment policy and not against this interim framework.

The standard within the interim framework contains a number of 'pupil can' statements. To demonstrate that pupils have met the standard, teachers will need to have evidence that a pupil demonstrates consistent attainment of **all** the statements within the standard.

This framework is interim for the academic year 2015 to 2016 only.

Working at the expected standard

The pupil can:

- read age-appropriate books with confidence and fluency (including whole novels)
- read aloud with intonation that shows understanding
- work out the meaning of words from the context
- explain and discuss their understanding of what they have read, drawing inferences and justifying these with evidence
- predict what might happen from details stated and implied
- retrieve information from non-fiction
- summarise main ideas, identifying key details and using quotations for illustration
- evaluate how authors use language, including figurative language, considering the impact on the reader
- make comparisons within and across books.

Key principles

- This statutory interim framework is to be used only to make a teacher assessment judgement at the end of the key stage following the completion of the key stage 2 curriculum. It is not intended to be used to track progress throughout the key stage.
- The interim framework does not include full coverage of the content of the national curriculum and focuses on key aspects for assessment. Pupils achieving the different standards within this interim framework will be able to demonstrate a broader range of skills than those being assessed.
- This interim framework is not intended to guide individual programmes of study, classroom practice or methodology.
- Teachers must base their teacher assessment judgement on a broad range of evidence from across the curriculum for each pupil.
- Individual pieces of work should be assessed according to a school's assessment policy and not against this interim framework.

Each of the three standards within the interim framework contains a number of 'pupil can' statements. To demonstrate that pupils have met a standard within this interim framework, teachers will need to have evidence that a pupil demonstrates attainment of **all** of the statements within that standard **and all** the statements in the preceding standard(s).

Some of the statements contain qualifiers (some and most) to indicate that pupils will not always consistently demonstrate the skill required. Further guidance to support teachers in making consistent judgements on these will be provided as part of the exemplification material. However, where they have been used, they have consistent meaning with 'most' indicating that the statement is generally met with only occasional errors and 'some' indicating that the skill/knowledge is starting to be acquired, and is demonstrated correctly on occasion, but is not consistent or frequent.

Teachers should refer to the national curriculum programmes of study for items marked * (e.g. to exemplify the words that pupils should be able to spell). Where pupils have a physical disability that prevents them from being able to write, the statements relating to handwriting can be excluded from the teacher assessment. Where pupils are physically able to write and meet all of the statements except for being able to produce legible handwriting, they may be awarded the 'expected standard' but cannot be awarded the 'greater depth' standard. This refers to the final statements within 'Working towards' and 'Working at the expected standard'.

This framework is interim for the academic year 2015 to 2016 only.
