Dear Parents/Carers

As you are aware, as part of our school policy your children are required to read at least 10 minutes of the reading material provided to them by the school as homework each day. The children are issued with numbered copied of the set texts and we keep a record of what has been issued.

Whilst the school is aware that this material is taken out of school for this purpose, we would like to reiterate it is the child's/parent's responsibility that these are kept in good condition and safe; as these will be used for future children. Any book that is not returned is chargeable. In addition, if a returned book is irreparably damaged, a replacement will also be charged for.

Regrettably, your child has informed us that on this occasion, the book provided has been lost or damaged, and we will now have to ask you to replace this material.

The title of the book is:

Author:

_____ ISBN number: _____

If this is not the case, please either contact the school or send the above book with your child to school straight away.

Yours sincerely

D Le Chevalier
English Leader
