Dear Parents/Carers

Due to recent changes in Sports Active schedule we experimented having the girl's Football Club at lunch times last week. Although this was quite successful, it was hard getting the children in and out for their lunch and having sufficient time at the club.

Moving forward, we have decided the football sessions will be held every Thursday on the school field and will run from **3.30pm to 4.30pm**. They commence from Thursday 23 November. This gives children enough coaching time and ensures they have enough time to eat their lunch. Children should be collected from the **main office** at **4.30pm**.

Thank you for your patience and cooperation and we apologise for any inconvenience this may have caused. Any problems or enquiries please do not hesitate to contact us.

Many thanks for your continued support.

Mr Allers (PE Lead) & Sports Active
