Dear Parents/ Guardians

Thank you to all the parents who attended the Reception workshop last week. We hope you found it useful and feel you have more of an insight into how we teach your children and how you can help at home. In response to your feedback, we are planning to run a series of after-school workshops in the near future. This week we are sending home the handwriting booklet. At the top of each page is the saying that the children have learnt to say while they are forming the letter. This helps the children remember the correct way to form the letters. Please use this booklet as you feel is appropriate for your child, there is no rush to complete it. We don't need you to return the booklet to school; however we would love to see any writing your child does at home. We have also enclosed a phonics mat which shows all the Set One sounds the children will learn in Reception.

We would like to offer a set of phonic books that can be ordered through school. These 16 books are based on the RWI scheme we use in school during our Phonic sessions. There is also a set of magnetic letters included which the children can use to make and read their own words. We do have one copy for you to look at; please just pop in. The cost of the set is £16. If you would like to order a set please return the slip by Monday 20th October 2014.

Yours faithfully,

Mrs Morris, Mrs Rowland and Miss Marklove
