Gorsemoor Road,
Heath Hayes,
Cannock,
Staffs.
WS12 3TG.

Dear Parents/Guardians,

Please find enclosed a copy of your child's tracking report for the spring term. The aim of the tracking report is to keep you informed about your child's progress during the year. We use the 'Early Year's Outcome' guidance to support our judgements about which age-related band your child is working in for each of the 17 aspects of learning. These judgements are based on our knowledge of your child, along with our ongoing observations and assessments. In addition, the tracking report indicates whether they are **entering**, **developing** or **secure** within that band.

I have also included a copy of the 'Early Year's Outcomes' guidance with the tracking report for your reference. Please remember that the statements for each band are not intended to be used as a checklist to work through but instead help us to make a 'best fit' judgement about where your child is working.

If you have any questions concerning your child's tracking report please feel free to discuss this with your child's class teacher during the parent consultation appointment next week or ask at the end of the school day.

Yours faithfully

Mrs Morris, Miss Marklove and Miss Langley
