

RNIB Thank You email to Mrs Fraser

Dear Friends,

Thank you for helping us in our fundraising efforts by helping us collect as many stamps as possible. Any amount large or small is much appreciated. Every stamp you send will help raise money for the Royal National Institute of Blind People. *Stamps that are trimmed correctly can be sent directly to my buyer at RNIB, PO Box 6198, Leighton Buzzard, LU7 9XT as we raise 25% more money this way.* Please don't send correspondence to there!

Our target for this financial year was to raise at least £25,000, but we are a huge amount down on this time last year so we will be grateful for anything near to that figure....and we will try again next year! Our final figure for this financial year will be known by the 31st March.

Please could you ask your family and other contacts to save their stamps for us and if possible can they be **cut or torn with approximately ½ - 1cm of envelope surrounding the stamp** to prevent damage. We can also use the gold and white labels. We have a wonderful group of volunteers who are happy to trim and sort stamps if you are not able to.

**When sending stamps to us if you can take a photograph of the stamps or sealed addressed envelope (even the postbox?) and put it onto Facebook or Twitter with a message that would be great?** Your help provides over sixty services to visually impaired children and adults.

Thank you again!

Kind regards

Mrs. Terri Bush
