9 November 2017

Dear Parent/Carers,

As part of our Computing Curriculum on Digital Literacy, your child will be covering issues to do with recognising the risks of online grooming. The class teacher will deliver a session about this over the course of an afternoon in the coming weeks.

During the session, the children will look at a fictional scenario and learn about the warning signs of online grooming and what to do if they feel they are worried about any of the issues raised. The children complete a booklet and take part in discussion with the class. The booklet will then be taken home by the pupils to enable you to share this resource with your child.

This unit of work has been planned in collaboration with our CSE (Child Sexual Exploitation) Officer; Nicola Humphries from Staffordshire Police. It is intended for use with Year 5 and 6 pupils. You are entitled to withdraw your child from this unit of work; simply complete and return the slip below by **Friday 17 November 2017**.

The resource 'Alright Charlie' is available to view online if you wish to view it at home: [www.schoolwellbeing.co.uk](http://www.schoolwellbeing.co.uk) and search for– child sexual exploitation primary school resource.

If you have any questions or concerns, then please do not hesitate to contact your child's class teacher.

Yours Faithfully,

The Year 6 Team

---

I **DO NOT** want my child to take part in the 'Alright Charlie' activity.
