September 2017

Dear Parents/Guardians,

There will be occasions where we would like to extend our studies beyond the school environment and take the children on a walk around the local area; such as to Gorsemoor Park, St John's Church or the local village. Please could we ask you to give your permission for such occasions and sign our annual permission slip?

Yours sincerely

Year 6 Staff

I give my annual permission for _____ in _____ to walk around the local area when it supports their studies.
